### **DISCLOSEABLE TRANSACTIONS IN RELATION TO TENANCY AGREEMENTS**

On 7 August 2020, the Group as tenants entered into the Tenancy Agreements with Kam Wah and Joinice as landlords in relation to the leasing of the Premises.

In accordance with HKFRS 16 “Leases”, the Group will recognize the value of the right-of-use assets on its consolidated statement of financial position in connection with the leasing of the Premises under the Tenancy Agreements. Accordingly, the lease transactions under the Tenancy Agreements will be regarded as acquisitions of assets by the Group for the purpose of the Listing Rules.

Since each of Kam Wah and Joinice is controlled by the same group of shareholders, the Tenancy Agreements are aggregated for the purpose of the Listing Rules. ## **REASONS AND BENEFITS FOR THE TENANCY AGREEMENTS**

The terms of the Tenancy Agreements are arrived at after arm's length negotiations and the rental was determined with reference to the prevailing market rental of similar premises in the nearby locations. The Group is currently leasing the First Premises for operation and the current tenancy agreement of the First Premises expired in July 2020. The Directors consider it is in the interest of the Company to renew the tenancy by entering into the First Tenancy Agreement to continue its operation at the First Premises. The Group is also currently leasing another premises in the same building of the Second Premises for operation and the current tenancy agreement of such premises will expire in August 2020. The Directors consider the entering into of the Second Tenancy Agreement is in the interest of the Company as the Second Premises provide additional office space for the Group's operation. The Directors considered that the terms of the Tenancy Agreements are fair and reasonable and the transactions are on normal commercial terms, in the ordinary and usual course of business of the Company and in the interests of the Company and its Shareholders as a whole.

## **LISTING RULES IMPLICATIONS**

The aggregate value of the right-of-use assets to be recognised by the Group under the Tenancy Agreements was estimated to be approximately HK\$12,643,000, being the present value of the aggregate lease payments using the rate applicable at the commencement date of the Tenancy Agreements in accordance with HKFRS 16. The discount rate of approximately 4.5% per annum is applied to compute the present value of aggregate lease payments under the Tenancy Agreements. The above figure is unaudited and may be subject to adjustment in the future.

In accordance with HKFRS 16 “Leases” as adopted by the Group, the Group will recognize the value of the right-of-use assets on its consolidated statement of financial position in connection with the leasing of the Premises under the Tenancy Agreements. Accordingly, the lease transactions under the Tenancy Agreements will be regarded as acquisitions of assets by the Group under the definition of transaction set out in Rule 14.04(1)(a) of the Listing Rules.

Since each of Kam Wah and Joinice is controlled by the same group of shareholders, the Tenancy Agreements are aggregated for the purpose of the Listing Rules. As one or more of the applicable percentage ratios (as defined in the Listing Rules) in respect of the aggregated value of the right-of-use assets of the Premises under the Tenancy Agreements exceed 5% but are less than 25%, the transactions contemplated thereunder constitute discloseable transactions of the Company and are subject to the notification and announcement requirements under Chapter 14 of the Listing Rules.
