## **MANAGEMENT DISCUSSION AND ANALYSIS**

### **BUSINESS REVIEW**

During the six months ended 30 September 2021, the Group's revenue decreased by approximately 4.8% as compared to the corresponding period in 2020. This decrease was mainly due to the drop in revenue generated from (i) results announcements and financial reports segment of approximately HK\$6.6 million from approximately HK\$42.9 million for the six months ended 30 September 2020 to approximately HK\$36.3 million for the six months ended 30 September 2021; and (ii) company announcements and shareholder circulars segment of approximately HK\$1.4 million from approximately HK\$19.7 million for the six months ended 30 September 2020 to approximately HK\$18.3 million for the six months ended 30 September 2021. Such decrease was partly offset by the increase in revenue generated from debt offering circulars and initial public offering prospectuses segment of approximately HK\$4.7 million from approximately HK\$8.0 million for the six months ended 30 September 2020 to approximately HK\$12.7 million for the six months ended 30 September 2021.

### **PROSPECTS**

Looking ahead, the global economy and the financial market in Hong Kong are expected to be clouded by uncertainties arising from the prolonged novel coronavirus (the "COVID-19") pandemic and industry-specific factors. The weakened market sentiment might dampen fund-raising exercises by local listed companies, which may in turn have a negative impact on the profitability of the Group and the entire financial printing industry to a certain extent. With the vaccination campaign on its full swing and the government of Hong Kong may relax restrictions as the local COVID-19 receding, the regional corporate finance activities are picking up the momentum of recovery.

Taking advantage of the lower rent due to COVID-19, the Group leased additional office spaces that enlarged our total office area by around 40%, allowing us to offer more conference rooms to our customers and set up a newly revamped headquarters for A.Plus International Corporation Limited (formerly known as A.Plus International Financial Press Limited) (one of the major operating subsidiaries of the Company). Equipped with state-of-the-art multimedia and video conferencing facilities, spacious and comfortable customer dining and leisure areas, together with a dedicated team providing people-oriented hospitality services, we spare no effort in enhancing customers' experience during in-house meetings or bulk print sessions.

To walk hand in hand with our customers and explore new opportunities, A.Plus International Financial Press Limited was renamed as A.Plus International Corporation Limited during the year ended 31 March 2021, projecting a brand new image and clear market positioning. Amid the challenges we are facing, the Group is well prepared, both in terms of hardware and services, to capture new opportunities in the market, especially those related to IPO projects.

Meanwhile, A.Plus Financial Press Limited (another major operating subsidiary of the Company) will continue to leverage on its competitive edges to further expand our customer base while optimising our professional services. We firmly believe that there will be a sustainable demand for periodic financial documents which the Group is well-positioned to capitalise on such opportunities with its strong and long-lasting relationships with its clients. The Group will forge ahead against all odds in order to bring the highest returns to the Shareholders.

## **DIVIDENDS**
