THIRD QUARTERLY RESULTS ANNOUNCEMENT FOR THE NINE MONTHS ENDED 31 DECEMBER 2017

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

This announcement, for which the directors (the “Directors”) of A.Plus Group Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

Pursuant to the Reorganisation, the Company became the holding company of the Group on 23 March 2016. The Company, Power Future Holdings Limited (“Power Future”), Maplehill Investments Limited (“Maplehill”) and APF, resulting from the Reorganisation, were directly and/or beneficially owned by the same beneficial owners in substantially the same proportionate ownership interests both before and after the Reorganisation. As such, this Reorganisation is effectively interspersing an intermediate company over Power Future, Maplehill and APF and there was a continuation of risks and benefits to the ultimate beneficial owners. Accordingly, the Reorganisation has been accounted for as a combination of entities and businesses and the unaudited condensed consolidated financial statements of the Group have been prepared and presented on the basis as if the Company has always been the holding company of Power Future, Maplehill and APF since the beginning of the reporting period. Amongst the ultimate beneficial owners, Mr. Lam Kim Wan and Mr. Fong Wing Kong are regarded as the controlling shareholders of the Group.

Upon the completion of the Reorganisation, A.Plus International Financial Press Limited (“API”) became a wholly-owned subsidiary of the Group and its financial results have been consolidated into those of the Group in accordance with Hong Kong Financial Reporting Standards (“HKFRSs”) with effect from 1 April 2016.

The accounting policies used in the condensed consolidated financial statements are consistent with those followed in the preparation of the Group’s annual consolidated financial statements for the year ended 31 March 2017.

The condensed consolidated financial statements have not been audited by the Company’s independent auditors, but have been reviewed by the audit committee of the Company (“Audit Committee”).

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

During the nine months ended 31 December 2017, the Group achieved a revenue growth of approximately 23.2% as compared to the corresponding period in 2016, which was mainly attributable to the increase in revenue generated from the (i) results announcements and financial reports segment of approximately HK\$15.5 million from approximately HK\$35.4 million for the nine months ended 31 December 2016 to approximately HK\$50.9 million for the nine months ended 31 December 2017; and (ii) debt offering circulars and initial public offering prospectuses segment of approximately HK\$5.5 million from approximately HK\$13.5 million for the nine months ended 31 December 2016 to approximately HK\$19.0 million for the nine months ended 31 December 2017. Such increase was mainly attributable to the successful expansion of the Group's customer base of companies listed on the Stock Exchange and further penetration of the market of debt offering circulars and initial public offering prospectuses through developing our business relationship with intermediaries for the nine months ended 31 December 2017.

PROSPECTS

In September 2017, the Securities and Futures Commission and the Stock Exchange issued their joint consultation conclusions in relation to listing regulations. Moreover, In December 2017, the Stock Exchange issued its consultation conclusions in relation to the New Board concept paper. Those consultation conclusions involve substantial changes of Hong Kong's overall listing framework, which may affect the initial public offering vetting process and publication requirements of initial public offering applicants and listing companies in Hong Kong and thus impose uncertainties on the business prospects of the Group.

It is expected that the intensified competition in the industry may continue in the near future, which could have a negative impact on the business growth of the Group. Nevertheless, leveraging on our listing status and our newly renovated headquarters, the Group will continue to adhere to its business strategy to expand our customer base of companies listed on the Stock Exchange and further penetrate the market of debt offering circulars and initial public offering prospectuses through developing our business relationships with intermediaries.
