CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

In accordance with Article 84(1) of the Articles of Association, Mr. Yue Ming Wai Bonaventure and Mr. Leung Siu Hong shall retire from office by rotation at the Annual General Meeting. All of the above retiring Directors, being eligible, will offer themselves for re-election as Directors at the Annual General Meeting.

Article 85 of the Articles of Association provides that no person, other than a Director retiring at the meeting shall, unless recommended by the Directors for election, be eligible for election as a Director at any general meeting unless a notice signed by a member (other than the person to be proposed) duly qualified to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also a notice signed by the person to be proposed of his willingness to be elected shall have been lodged at the head office or at the registration office provided that the minimum length of the period, during which such notice(s) are given, shall be at least seven (7) days and that (if the notices are submitted after the despatch of the notice of the general meeting appointed for such election) the period for lodgement of such notice(s) shall commence on the day after the despatch of the notice of the general meeting appointed for such election and end no later than seven (7) days prior to the date of such general meeting.

LETTER FROM THE BOARD

3. GENERAL MANDATE TO ISSUE SHARES

At the annual general meeting of the Company held on 31 August 2017, the Shareholders granted a general mandate to the Directors to allot and issue Shares. Such mandate will lapse on the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the passing of an ordinary resolution of Shareholders in a general meeting revoking, varying or renewing such mandate. In order to ensure that the flexibility and discretion be given to the Directors in the event that it becomes desirable to allot, issue and deal with Shares, approval is being sought from the Shareholders for the granting of the Issue Mandate to the Directors to allot, issue and deal with additional Shares of up to 20% of the aggregate nominal value of the share capital of the Company in issue as at the date of the passing of the ordinary resolution contained in item 6(A) of the notice of the Annual General Meeting as set out on pages 18 to 23 of this circular convening the Annual General Meeting and adding to such general mandate any Shares representing the aggregate nominal value of the Shares repurchased by the Company under the Repurchase Mandate. If the resolution is passed and no Share is repurchased by the Company, exercise in full of the Issue Mandate (on the basis of 400,000,000 Shares in issue at the Latest Practicable Date) would result in up to 80,000,000 new Shares being allotted, issued and dealt with by the Company.

The Directors wish to state that they have no immediate plan to issue any new Shares pursuant to the Issue Mandate.

4. GENERAL MANDATE TO REPURCHASE SHARES

A resolution to grant the Directors the Repurchase Mandate will be proposed at the Annual General Meeting to enable the Directors to exercise the powers of the Company to repurchase issued and fully paid Shares up to 10% of the aggregate nominal value of the share capital of the Company in issue as at the date of the passing of the ordinary resolution contained in item 6(B) of the notice of the Annual General Meeting as set out on pages 18 to 23 of this circular convening the Annual General Meeting (i.e. a total of 40,000,000 Shares, assuming that the issued share capital of the Company remains unchanged after the Latest Practicable Date and up to the date of the Annual General Meeting).

The GEM Listing Rules permit companies with primary listing on the Stock Exchange to repurchase their fully paid-up Shares on the Stock Exchange subject to certain restrictions.

The following is the explanatory statement required to be sent to the Shareholders under the GEM Listing Rules to enable them to make an informed decision on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 400,000,000 Shares of HK\$0.01 each.

Subject to the passing of the resolution set out in item 6(B) of the notice of the Annual General Meeting in respect of the granting of the Repurchase Mandate and assuming no Shares will be issued or repurchased by the Company during the period between the Latest Practicable Date and the date of the Annual General Meeting, the Directors would be allowed under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, up to a maximum total of 40,000,000 Shares, representing 10% of the aggregate nominal value of the share capital of the Company in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or the earnings per share of the Company and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. The Directors have no present intention to repurchase any of the securities of the Company.

3. FUNDING OF REPURCHASE

In repurchasing shares of the Company, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

Under the Cayman Companies Law, any repurchases by the Company may be made either (1) out of profits of the Company; (2) out of the share premium account of the Company; (3) out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase; or (4) out of capital, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Law. In the case of any premium payable over the par value of the Shares to be repurchased on the repurchase, such premium must be provided out of either or both of the profits of the Company or the share premium account of the Company, or out of capital, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Laws. In accordance with the Cayman Companies Law, the Shares so repurchased would remain part of the authorised but unissued share capital of the Company.

4. IMPACT OF REPURCHASE

If the Repurchase Mandate were exercised in full, there might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2018). However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares were traded on the Stock Exchange during the past twelve months and up to and including the Latest Practicable Date were as follows:

Month	Trading price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2017		
June	0.790	0.550
July	0.690	0.560
August	0.580	0.475
September	0.690	0.540
October	0.630	0.580
November	0.670	0.580
December	0.670	0.620
2018		
January	0.690	0.580
February	0.700	0.590
March	0.770	0.610
April	0.760	0.710
May	1.040	0.720
June (up to the Latest Practicable Date)	1.070	0.800

6. DIRECTORS DEALINGS AND CORE CONNECTED PERSON

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or its subsidiaries any Shares under the Repurchase Mandate if such is approved by the Shareholders.

No core connected person of the Company have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases of share of the Company pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE CONSEQUENCES

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined under the Takeovers Code) could, depending on the level of increase in the Shareholder's interest, obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Brilliant Ray Global Limited was beneficially interested in 233,160,000 Shares, representing approximately 58.29% of the total number of issued Shares. Brilliant Ray Global Limited is owned as to 50% by Mr. Lam Kim Wan and 50% by Mr. Fong Wing Kong, both are executive Directors. Accordingly, each of Mr. Lam Kim Wan and Mr. Fong Wing Kong are deemed to be interested in 233,160,000 Shares held by Brilliant Ray Global Limited, representing approximately 58.29% of the total number of issued Shares.

In the event that the Repurchase Mandate was exercised in full by the Company, the percentage shareholding of the Brilliant Ray Global Limited would increase to approximately 64.77%. Such increases would not result in Brilliant Ray Global Limited to make a mandatory offer under Rule 26 of the Takeovers Code. Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases made pursuant to the Repurchase Mandate.

The Directors have no present intention to exercise the Repurchase Mandate to such extent as would cause the public float to fall below 25% of the issued share capital of the Company or such other minimum percentage as prescribed by the GEM Listing Rules from time to time.

9. SHARE REPURCHASE MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the GEM or otherwise).
