A.Plus Group Holdings Limited

優越集團控股有限公司

(Incorporated in the Cayman Islands with limited liability)

(Stock Code: 8251)

FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 30 JUNE 2017

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

This announcement, for which the directors (the “Directors”) of A.Plus Group Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

The Company was incorporated in the Cayman Islands under the Companies Law, Chapter 22 (Law 3 of 1961, as combined and revised) of the Cayman Islands as an exempted company with limited liability on 20 April 2015. Its parent and ultimate holding company is Brilliant Ray Global Limited (“Brilliant Ray”) (incorporated in the British Virgin Islands). The address of the registered office of the Company is located at Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman KY1-1111, Cayman Islands, and the address of principal place of business of the Company is located at 2/F, 35-45B Bonham Strand, Sheung Wan, Hong Kong. The unaudited condensed consolidated financial statements are presented in Hong Kong dollars (“HK\$”), which is the same as the functional currency of the Group.

2. BASIS OF PREPARATION

Pursuant to a group reorganisation (the “Reorganisation”), the Company became the holding company of the Group on 23 March 2016. The Company, Power Future Holdings Limited (“Power Future”), Maplehill Investments Limited (“Maplehill”) and APF, resulting from the Reorganisation, were directly and/or beneficially owned by the same beneficial owners in substantially the same proportionate ownership interests both before and after the Reorganisation. As such, this Reorganisation is effectively interspersing an intermediate company over Power Future, Maplehill and APF and there was a continuation of risks and benefits to the ultimate beneficial owners. Accordingly, the Reorganisation has been accounted for as a combination of entities and businesses and the unaudited condensed consolidated financial statements of the Group have been prepared and presented on the basis as if the Company has always been the holding company of Power Future, Maplehill and APF since the beginning of the reporting period. Amongst the ultimate beneficial owners, Mr. Lam Kim Wan and Mr. Fong Wing Kong are regarded as the controlling shareholders of the Group.

Upon the completion of the Reorganisation, A.Plus International Financial Press Limited (“API”) became a wholly-owned subsidiary of the Group and its financial results have been consolidated into those of the Group in accordance with Hong Kong Financial Reporting Standards with effect from 1 April 2016.

The accounting policies used in the condensed consolidated financial statements are consistent with those followed in the preparation of the Group’s annual consolidated financial statements for the year ended 31 March 2017.

The condensed consolidated financial statements have not been audited by the Company’s independent auditors, but have been reviewed by the audit committee of the Company (“Audit Committee”).

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

During the three months ended 30 June 2017, the Group achieved a revenue growth of approximately 21.2% as compared to the corresponding period in 2016, which was mainly attributable to the increase in revenue generated from the results announcements and financial reports segment by approximately HK\$7.4 million from approximately HK\$17.0 million for the three months ended 30 June 2016 to approximately HK\$24.4 million for the three months ended 30 June 2017. Such increase was mainly attributable to the expansion of the Group's customer base of companies listed on the Stock Exchange for the three months ended 30 June 2017.

PROSPECTS

In June 2016, the Securities and Futures Commission and the Stock Exchange issued a joint consultation paper in relation to listing regulations. Moreover, in June 2017, the Stock Exchange issued a consultation paper on, among others, review of the GEM and a concept paper on the New Board. Those consultation papers and concept paper involve substantial changes of Hong Kong's overall listing framework, which may affect the IPO vetting process and publication requirements of IPO applicants and listing companies in Hong Kong and thus impose uncertainties on the business prospects of the Group.

It is expected that the intensified competition in the industry may continue in the near future, which could have a negative impact on the business growth of the Group. Nevertheless, leveraging our listing status and our newly renovated headquarters, the Group will continue to adhere to its business strategy to expand our customer base of companies listed on the Stock Exchange and further penetrate the market of debt offering circulars and IPO prospectuses through developing our business relationships with intermediaries.
